

**University Grants
College Review & Recommendation Form**

College Review Committees are made up of representatives of one elected representative, with the exception of deans and department chairs, from each department within a College. This committee should carefully review all applications from each department using the University Grants Scoring Rubric. The committee then ranks the applications, provides the amount requested, the amount recommended, and a brief justification (1-3 sentences) using this form. After review by the Dean of the College, the form and all applications should be forwarded to the Office of the Provost for review and funding recommendations by the Faculty Development Committee.

Rank	Faculty Name	Project Title	Amount Requested	Amount Recommended	Justification of Rank & Funding Recommendation
-------------	---------------------	----------------------	-------------------------	---------------------------	---
